

Dear Parents,

Let me start by saying our Director here at ABC, Kimberly Rozier, is positively the greatest! Recently she asked me to write a little personal information about myself. This is what I wrote and this is what I wanted to share with you all.

I am happily married with five children ages 16-3! Through love, extreme patience and the unyielding support of my husband and parents I am able to successfully manage TWO careers. One as the Executive Director at ABC (www.abcearlylearning.com) and the other as a Licensed Realtor with Keller Williams Realty (www.greatatlantaagent.com). The glory is that I absolutely LOVE both of my careers!

The joy I experience when I witness the excitement in a child's eyes as they learn something new AND when they jump into my arms to give me hugs and kisses is immeasurable! In addition, because I am a licensed realtor I am fortunate enough to be able to help most of my parents or their family members and friends purchase a new home, sell their existing home and in most instances both! So not only do I get to experience the joy of educating young children, I also receive the honor of helping the ENTIRE family through the process of another very exciting and important life decision.

Now yes, in order to do this my work day does begin at 5am and continues well on into the night hours, but the irony is that to me neither one of my careers feels like work. Helping "little" and "big" people advance leaves me with such a sense of completeness, that I know this is what I was put here to do and **I LOVE IT!!!**

Thank you for taking the time to learn a little about me.

Sincerely,

Victoria Williams
